Brookstone Estates

Expert Craftsmanship from the Ground Up

Brookstone Estates has made a commitment to preserve the natural resource and wildlife habitat protection. The open space sub-division put forth by Brookstone Estates utilizes less than 50% of total parcel of 85 acres as development. The overall subdivision layout is well designed to achieve both development of residential homes and to preserve land and nature

- Main House Square Foot: 2,150 sq/ft
- Bonus Room Square Foot: 240 sq/ft

SECOND FLOOR

Bonus Room - Option
